Is your WIN current?

We are saddened by the news that a fellow member in our building passed away at home on Friday April 12th. This article is being written because this person's next of kin was unable to be reached and the funeral home found the members union card and then called OPSEU head office who in turn referred them to our local. **Please take the time to make sure that your Emergency contact information is up to date.**

Collective Agreement

OPS Collective Agreement for Central, Unified and Corrections (including Salary Schedules) is now available online at <http://www.opseu.org/ops/collective/collective.htm>
